West Covina USD

The Parent Project®

Empowering Parents

Transforming Teens + Pre-Teens

What Is It?
♦ A Parent Training Program designed to meet the needs of parents raising strong-willed or out-of-control children ages 10-18.
♦ Teaches identification, prevention, and intervention strategies for even the most destructive of behaviors.
♦ The Parent Project® answers your questions!

How Does It Work?
♦ Parents attend and learn in a structured setting how to manage problem behaviors at home.
♦ Uses a 216 page activity based workbook.
♦ Parents meet weekly for 3 hour sessions for 10 to 16 weeks.
♦ Parent support groups are formed.
♦ Behavior modification is used.

Who Facilitates This Program?
♦ West Covina Unified School District and many other schools, agencies, and churches.
♦ Trained facilitators who have successfully completed the intensive Parent Project® Facilitator Training.

Why The Parent Project®?
♦ It is an award-winning curriculum developed over a 25 year period.
♦ It has a proven track record.
